

# PRIVATE CLIENT

## CONVEYANCING TOOLKIT

Conveyancing traditionally relates to the purchase, sale, transfer or subdivision of property. Our Enrizen philosophy, when helping with your conveyancing, is to provide a no-nonsense approach. We'll help you identify the wider considerations, issues and risks associated with your entry to, or exit from, the property market.

## NEXT STEPS

Contact enrizen. Get in touch with Enrizen via email or phone to review your conveyancing and discuss your options.
