DEBT RECOVERY

HOW WE HELP OUR CLIENTS

All businesses at one point or another, require some help recovering debts and to get overdue invoices paid. If slow payers are causing havoc on your cash flow and you want to minimise the risk of a write-off, then we can assist.

A letter of demand is usually the first step in the process after you've sent first and second reminders for overdue invoices and you still haven't been paid.

Letters of demand - \$250 + GST

A letter of demand is usually the first step in the process after you've sent first and second reminders for overdue invoices and you still haven't been paid.

Creditor Statutory Demands - \$500 + GST

The next step we can take in the debt recovery process is to issue a Creditor Statutory Demand (CSD) which places a timeline on the creditor for payment.

The debtor has 21 days from the date of service to address the CSD, failing which they risk serious consequences, including being wound up on grounds of insolvency.

Enrizen Lawyers aim is to swiftly recover outstanding debt discreetly and professionally ensuring your business is aware of its legal obligations.

We'll apply the right amount of pressure, whilst enabling you to maintain client relationships.
